James Hogg, 'The Ettrick Shepherd', poet, collector, singer, and contemporary of Sir Walter Scott, set the words of his Jacobite song, 'Cam Ye by Atholl' to this tune, though he slowed it down for that purpose.

This is not the same tune as the "Bonnie Charlie" song, also commonly known as "Will Ye No Come Back Again?". It is a Scots poem by Carolina Oliphant (Lady Nairne)(1766-1845), set to a traditional Scottish folk tune.

I learned this from John Letscher.
