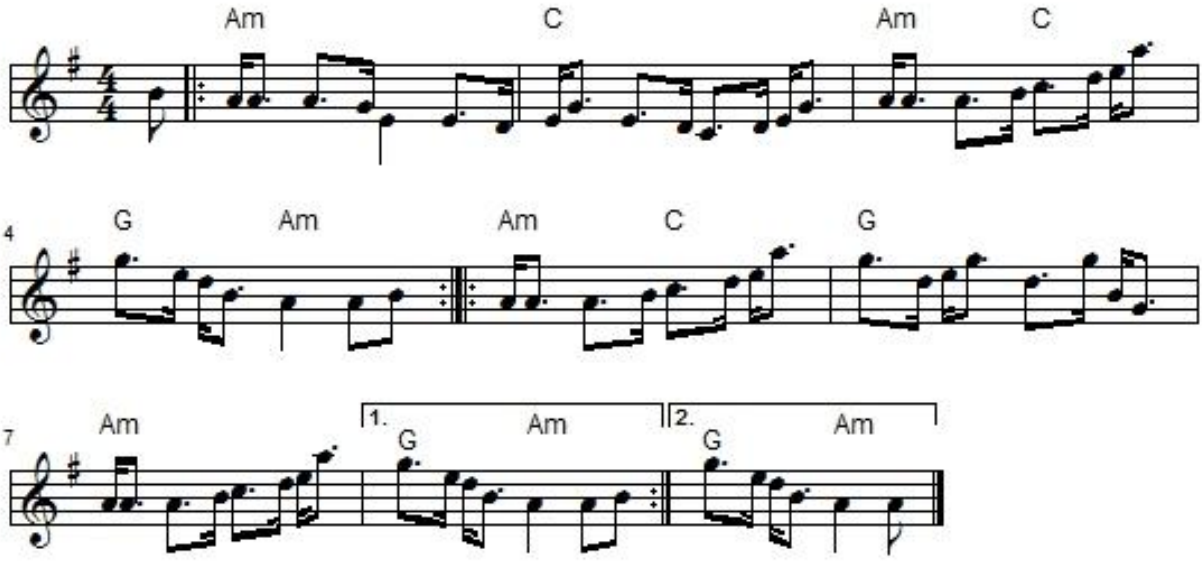
McKinnon's Brook



"McKinnon's Brook", also known as "MacKinnon's Brook" or "MacKinnon’s Rant", is a Scottish strathspey in 4/4 time and A dorian mode.
My only recorded source so far is the recording by Ensemble Galilei on **Music in the Great Hall**.
There are three settings on **thesession.org**, two for fiddle and one for pipes. This is the first of those settings and agrees with the recording by Ensemble Galilei.
I haven't found any other source for this tune.
