A popular and old English/Scottish country jig melody. There is a Shetland reel known as "Da New Rigged Ship". "New Rigged Ship" has been more popular in the United States in a reel-time setting of the melody, called "Green Willis" or "The Raw Recruit". It has been printed in Gow (**Strathspey Reels**), 1784, Gow, **A Second Collection of Strathspey Reels, 2nd edition**, 1803 and Karpeles & Schofield *A Selection of 100 English Folk Dance Airs* (1951).

It has been recorded by Altan, Aly Bain, Dave Swarbrick and others.

I learned this one from print, I think from **1000 Fiddle Tunes**.
