"Within a Mile of Edinburgh", also known as "Within a Mile O' Edinburgh Toon" and "Within a Mile of Edinburgh Town" is a Scottish strathspey usually played in Bb.

It is not the same tune as used for the song "Within a Mile of Edinburgh Toon".

This strathspey version has an unusual six bar B part.

It was printed in Williamson's English, Welsh, Scottish and Irish Fiddle Tunes (1976) (in A major).

It was recorded by Alasdair Fraser, Muriel Johnstone & Natalie Haas and Derek Bell.
