

Ger the Rigger

Part A

Part B

Part B variations

The Gaelic name is "*Jer An Rigeara*". A "rigger" is one who attends to the rigging of a sailing ship or one who specializes in moving large/heavy objects. It has been recorded by Boys Of The Lough, Kevin Burke and others.

I play this in a medley with "Mairi's Wedding" in this section.

I learned this from our Monday night jam list although I had heard it a number of times before.
