

## Miller's Maggot

Part A

Part B

---

"Miller's Maggot" is an Irish single jig in 6/8 time and E minor.

The word 'maggot' refers to a unit of liquid measure, a dram, although in archaic use (e.g. Playford) a 'maggot' meant a slight or small tune, a plaything, a whim; from the Italian *maggioletta*, or plaything.
