This is an Irish slide in 12/8 or jig in 6/8, also known as "Dan O'Keefe's", "Denis O'Keefe's", "Kerry Slide No. 2" and "Padraig O'Keefe's Slide".

The tune was popularized through the Chieftain's recording when Larsen & Dalglish paired it with the similar-sounding "Road to Lisdoonvarna". It was also recorded by Gaelic Storm, Cherish The Ladies, De Dannan and others.

This plays well in medleys with:

The Swallowtail Jig

The Hillside

The Road to Lisdoonvarna

all in this section.
