"Tansey's Favourite", also known as "Tansey's Fancy", "Tansy's Fancy" or "Tansey's Favorite" is an Irish jig in G major. The parts are played AABB.

The titles of this tune and "The Bride's Favourite" were reversed on the third track of the Steeleye Span album **Below the Salt**. As a result there are some people who call each of these tunes by the other's name.

It was recorded by Steeleye Span and others.

I first learned this from the Steeleye Span recording.
