"Whiskey and Beer", also known as "Another Jig Will Do" or "Tight Breeches" is an Irish slip jig in D Major. The parts are played AB.

The combination of a glass of beer and a shot of whiskey sometimes goes by the name 'boilermaker'. In many 19th century saloons, even in New York City, the only beverages served were whiskey and beer much the same as in a lot of Irish pubs.

It was printed in Cole's **1000 Fiddle Tunes** (1940) and Ryan's **Mammoth Collection** (1883).
