

Josefin's Dopvals

Roger Tallroth

Part A

Part B

"Josefins Dopvals" means "Josephine's Christening Waltz". It is by Roger Tallroth of the Swedish band *Väsen* who use a guitar, a violin and a nyckelharpa (a hurdy-gurdy like instrument that is played with a bow).

It has also been recorded by Callanish, Alasdair Fraser and others.

I learned this at our Monday night jam.
