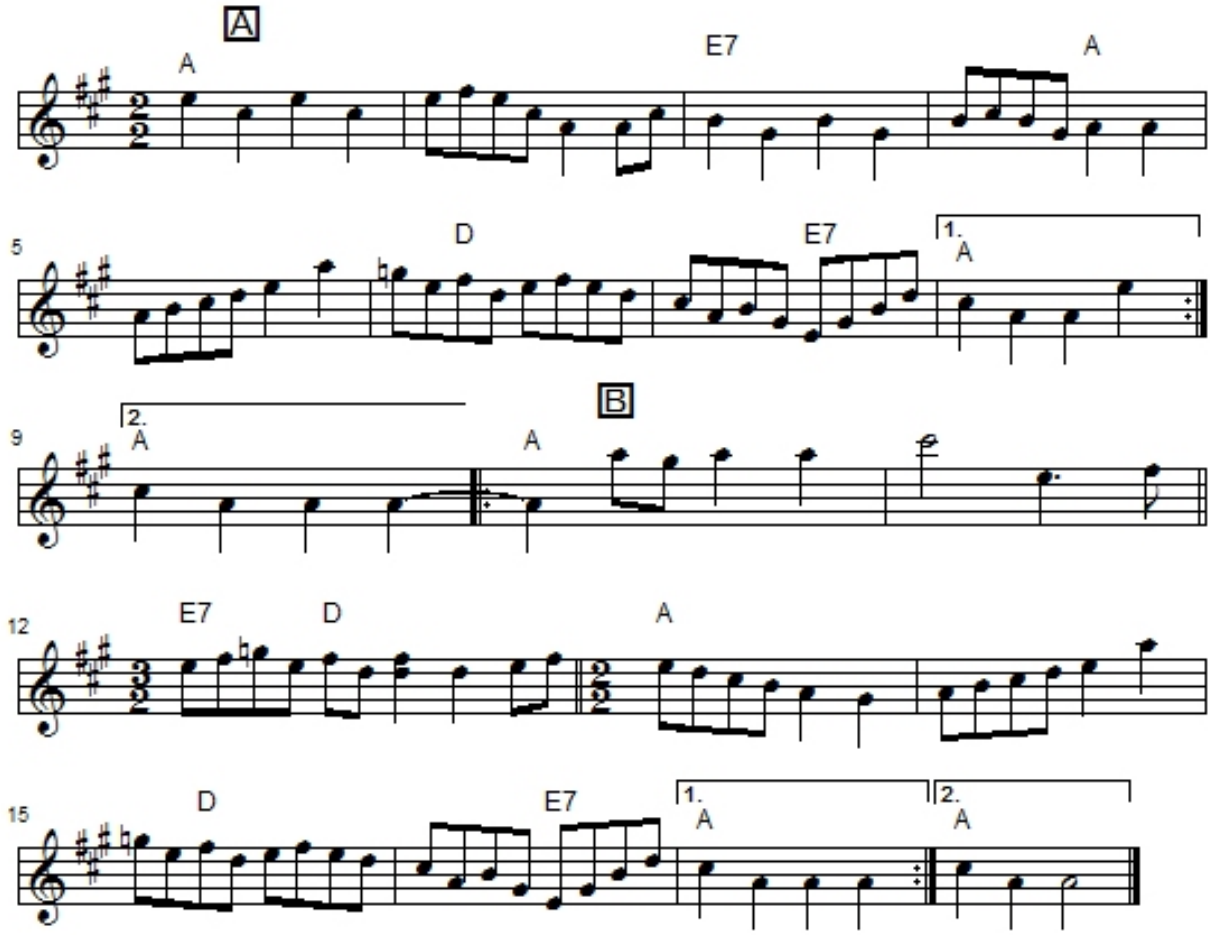
Richmond [2]



"Richmond [2]" is an old-time breakdown in A Major. The parts are played AA′BB′.
The source for this version is Claire Milliner who has been a Florida State fiddle champion.
The tune is crooked in the B part with two extra beats added in the third measure.
The banjo tablature is by John Letscher who says that he got it from Bruce Molsky and John Lamancusa. He considers it to be a version of "The Cuckoo's Nest".
It was printed in Lamancusa's **The Gettysburg Collection of Old-Time Fiddle Tunes** (2021).
This is not the same as the tune listed as "Richmond [1]".
